La Torretta, Charme Hotel, is pleasantly immersed in the green of the Ayas Valley. Family run, the hotel is situated in an exclusive place for those who wish to find again their relation with nature and good food. The kitchen is pretty local and offers to the guests products of the land coming from native cultivations. The hotel is a stone's throw away from the biggest ski resort of Monterosaski, of 180 km of ski slopes. With snowshoes, alpine skis or mountaineering skis, you can easily admire the highest peaks of Europe. In summer as well, lots of activities await you: treks, hikes, mountain bike tours, horseback riding tours. You can easily do all of this by walking along the old medieval canals called "Ru" whilst admiring castles and old alpine cottages along the way.
